

Tuition Fees 2019

Tuition fees are set annually.

Tuition fees for all levels except Year 12 are charged in four instalments per year. These instalments are issued prior to the commencement of Term 1, Term 2, Term 3 and Term 4. Extras are charged with each instalment.

Year 12 tuition fees will be billed in three instalments per year in Terms 1, 2 and 3 only.

Fees are due and payable on the first day of each term. Fees that remain unpaid at the end of 30 days after the commencement of the term will be subject to an Administration charge of \$200.

No student may commence a new term unless any outstanding fee amount has been paid. Where a fee account is in arrears, the student is not permitted to incur additional costs by participating in non-curriculum elective activities.

Periodic Payment Option

Parents opting for the Direct Debit option will be charged in 10 equal instalments from February to November.
