

Student Uniform Policy

1. Purpose

All students are expected to wear the uniform with pride and meet the uniform requirements with willingness and a spirit of cooperation. Parents and teachers are expected to ensure students are following the uniform requirements at all times. The wearing of the uniform is a significant way in which the students are identified in the school grounds and in the wider community. As such, the uniform should always be worn correctly and with pride.

2. Scope

This policy applies to all current staff, parents and students of Cornish College.

3. Key Responsibilities

Position/Roles	Responsibilities
Parents and teachers	<ul style="list-style-type: none">Parents and teachers are expected to ensure students are following the uniform requirements at all times
Students	<ul style="list-style-type: none">All students are expected to meet the uniform requirements with willingness and a spirit of cooperation

4. Key Elements of the Policy

4.1 Uniform Requirements

- All parts of the uniform must be clean and named.
- Students must wear blazers to and from school in Terms 2 and 3. This includes students arriving and departing by private car. The raincoat can be worn over, or in place of, the blazer for warmth or rain protection when travelling to school, during recess and lunchtime but must be removed when classes commence.
- Students must wear their raincoat with their sport uniform when travelling to and from school in Terms 2 and 3.
- Blazers are optional in Term 1 and 4, except for formal events.
- The wool jumper, wool vest, or polar fleece vest must not be worn as the outermost garment outside the school grounds.
- The length of girls' skirts, pinafores and summer dresses should reach the knee cap when the student is standing up straight with their shoulders back.
- Bucket hats are compulsory for all students in Terms 1 and 4. College branded Baseball caps are an alternative for secondary students only.
- Ties must be fully fitted at all times other than when the student is actively playing at recess or lunchtime.
- School bags are to be kept plain, displaying the College logo only, and must not be decorated with stickers or writing.
- Black leather lace up college-style school shoes are required for all students (except ELC). Velcro fastening college-style shoes are acceptable for Prep to Year 3 students. T-bar and Mary Jane style school shoes are not permitted.
- Sport shoes are required to have non-marking soles and be fit for the purpose of students' sports activities.

4.2 Hair, Jewellery and Make-up

- Hair must be clean, a natural colour and worn off the face and in a tidy style.
- Hair ribbons are to be white. All other accessories are to match the student's hair colour.
- Jewellery is not to be worn except for plain gold or silver sleepers or studs. These can only be worn in the ear.
- Apparent make-up of any variety is not allowed. This includes nail polish.
