

Tuition Fees 2023

Tuition fees are set annually by the College Board.

Tuition fees for all levels except Year 12 will be invoiced in four equal instalments. These instalment invoices will be issued prior to the commencement of Terms 1, 2, 3 and 4. Year 12 tuition fees will be invoiced in three equal instalments at the commencement of Terms 1, 2 and 3. Any applicable extras will be charged with each instalment.

Fees are due and payable on the first day of each term – 1 February 2023, 27 April 2023, 11 July 2023 and 3 October 2023.

Fees that remain unpaid at the end of 30 days after the commencement of the term will be subject to an administration charge of \$200 if no arrangements are made with the College.

No student may commence a new term unless any outstanding fee amount has been paid. Where a fee account is in arrears, the student is not permitted to incur additional costs by participating in non-curriculum elective activities.
